SECRETARY

June 16, 2010
Immediate Release

Traffic Advisory-Traffic Shift on U.S. 301 Over CSX Railroad

WILDWOOD - For more than a year, the Florida Department of Transportation (FDOT) has worked diligently on improvements to U.S. 301 and State Road 44 to construct new overpasses at the CSX railroad crossings. There will be a traffic shift on U.S. 301 starting the evening of Sunday, June 27th. The traffic shift will allow for the demolition of the existing bridge.

Motorists are urged to use caution and to drive with care.
