BUSINESS REGISTRATION DISCLOSURE

TO ALL BUSINESS REGISTRATION APPLICANTS:

Application for, or receipt of Business Registration does not exempt you from obtaining permits as required by the City Code of Ordinances.

You may apply for a Business Registration, but a registration will not be issued until the Development Services Department has approved zoning and Sumter County Building and Fire Inspector has inspected the building and property. The costs for the inspections are as follows:

Building Inspection Fee: \$65.00 (change of use)
Sumter County Fire Inspection \$50.00

Sumter County will provide a copy of the permit number to the Development Services Department after the inspection and the Development Services Department shall then give approval to the City Clerk's Department for issuance of the Business Registration.

You should contact the **Sumter County Fire & Rescue and Sumter County Building Department BEFORE MAKING ANY** alterations to the building.

This information should be forwarded to the owner of the building or property, if you, the Business Registration Applicant, are not the owner.

Your signature below indicates that you have **received, read and understand** this Disclosure.
