Addendum No. 2 to RFQ No. 2013-01

The following questions have been asked:

We would like to verify if you are requiring the entire Standard Form 330 (Part I and Part II filled out for each consultant individually or if you are looking for one Standard Form 330 (Part I and Part II) that includes all of the entire project team information.

Proposers may include all team information in on Standard Form 330.

Was programming information provided in the RFQ created from a previous needs assessment or programming effort?

No, the information was created by staff for this RFQ.
