

Final Construction Clearance Procedures City of Wildwood

Final Acceptance of Site Plans and Subdivisions - PLEASE PRINT A COPY OF THIS CHECKLIST TO ACCOMPANY YOUR SUBMITTAL.

The following items are required to be submitted to City in one complete package:

- ___ 1. One original and two copies of the Engineer's Certification of Satisfactory Completion on the City of Wildwood form.
- ___ 2. One original and two copies of the landscape certification from the landscape architect that all materials and irrigation systems have been installed per approved plan.
- ___ 3. Sealed final as-builts. (4) Hard copies and 2 CDs with electronic files (in DWG and PDF format).
- ___ 4. Two copies of certification to SWFWMD on drainage system.
- ___ 5. Three copies of all sealed original material testing lab reports.
- ___ 6. Three copies of FDEP final clearance acceptance for potable water and sanitary sewer system.
- ___ 7. Two copies of clearance from any other applicable permitting agencies, as applicable (FDOT, etc.).

Following review of the above items by the City Engineer, the City Engineer will review for completeness. Once the above items are found to be acceptable, a field inspection will be conducted by the City Engineer and a final punch list will be issued which must be satisfactorily completed prior to final acceptance of the site improvements.
