The Wildwood Growers' market is a producer-only market and products from wholesale or retail vendors will be limited. Fresh, locally grown or produced products (within 100-miles of Sumter County) will only be accepted at this market. Each Vendor will need to be approved by the Growers' Market Oversight Committee prior to participating in a market. Vendors are restricted to the following criteria and must fall into one of two categories: **Grower** or **Maker**: Grower: 75% or more of the market will be comprised of vendors who farm fresh, locally grown produce, ornamentals, or have produced their own edible products for purchase. No more than 10% of the products sold by a Grower may be from a wholesale or retail vendor. Maker: 25% or less of the vendors may be comprised of those vendors who make their own non-edible products. 100% of their inventory must have been created by the vendor.

The Market will be open from 9:00 AM to 1:00 PM every Saturday. The Market will be held at the City of Wildwood City Hall located at 100 N. Main St., Wildwood, FL 34785. Vendors are responsible for providing a table and any tent and signs that they would like to use. Tents must be self-supported without stakes and appropriately weighted down in case of wind; no stakes into pavement will be allowed. The spaces for vendors are 16' x 16' and the cost per space is \$15 per week per reservation. If a Vendor only requires the use of a table and is considered to be a Casual Home Grower, the applicant will be assessed a fee of \$5. \$5 extra will be assessed to those vendors that need to hook up to City electricity. Reservations must be made by calling the Market Manager at (w) (352) 303-4521, each Friday by noon. Cash or Check will be accepted by the Market Manager prior to 9:00 AM each Saturday. Checks must be payable to the City of Wildwood. An initial payment of the first event attending is due with application. Booth space is assigned first come, first served and at the discretion of the Market Manager.
