2010 15905

**Section 2:** The PUD property is subject to the following terms and conditions:

**a. General.**

1. Development of this Project shall be governed by the contents of this ordinance and applicable sections of the City of Wildwood Land Development Regulations and Code of Ordinances and all other applicable rules, regulations and ordinances of the City.
2. Where in conflict, the terms of this ordinance shall take precedence over the City of Wildwood Land Development Regulations and Code of Ordinances, and all other applicable rules, regulations and ordinances of the City.
3. Unless otherwise noted, the definition of all terms shall be the same as the definitions set forth in the City of Wildwood Land Development Regulations.
4. The purpose of this PUD is to:
  - i. Meet the requirement, as set forth in City of Wildwood, Ordinance #431, that any parcel of property zoned General Mixed Use that is over ten acres must follow the PUD procedure;
  - ii. Provide for a multi-use development;
  - iii. Create an attractive and high-quality environment which is compatible with the scale and character of the local environment;
  - iv. Protect and enhance the environment, and promote sustainable development principles;
  - v. Develop a residential area that includes pedestrian walkways;
  - vi. Provide commercial facilities to serve the new development and to enhance existing provision in the area;
  - vii. Provide drive aisles for use by residents and patrons that encourage pedestrian travel;
  - viii. Provide allowance for open space in the development.

**b. Land Uses.**

The proposed Planned Unit Development conceptual plan, attached hereto as Exhibit "A", is incorporated into this ordinance. Elements in the proposed plan include residential and commercial uses. The approximate acreage devoted to each land use shall be as follows:

2010 15905

**e. Recreation and Open Space.**

1. Recreation

The Project shall contain four (4) recreation amenities. Said amenities shall be determined during subdivision or site plan approval.

2. Open Space

The minimum allocation of open space areas shall be the following: (i) 25% of the gross land area of Project site; or (ii) 19.73 acres.

The project contains land within the 100 Year Floodplain. The land area contained within the floodplain may be utilized for stormwater retention.

The project contains a wetland conservation and mitigation area of approximately 1.07 acres as determined by the Southwest Florida Water Management District. A twenty five (25) foot average and fifteen (15) foot minimum buffer shall be provided. Encroachment into the mitigation area shall not be permitted.

The open space area shall be provided and calculated as specified in the Residential Design Standards and may include, but not be limited to, Project buffer areas, recreation area, landscaped areas, and portions of stormwater management system. The open space shall be calculated on an aggregate basis over the entire PUD Property, notwithstanding that the Project may be developed in phases.

**f. Public Facilities.**

1. Potable Water, Wastewater, and Reuse.

Each structure on the Project shall be connected to the City Potable Water and Sanitary Sewer system, prior to any certificates of occupancy being issued for such structure on the Project. The Project will connect to the City reuse system upon availability. Expansion of the City Potable Water and Sanitary Sewer systems, including necessary utility easements, shall be negotiated by separated Developer's Agreement between the City and the Owner/Developer. Said agreement shall specify cost and timetables for delivery of services.

2. Solid Waste.

Waste services shall be provided by the City of Wildwood.

2010 15905

3. Drainage.

The maintenance of the drainage system shall be the responsibility of the property owner or its successor or assign and shall meet the requirements of the Southwest Florida Water Management District (the "District") and the level of service standards set forth by the City.

4. Transportation.

- i. The number of ingress and egress points along US 301 shall be determined by the Florida Department of Transportation and the City of Wildwood. The location shall be determined during site plan or subdivision approval.
- ii. There shall be two ingress and egress points on CR 114 for the Project. The location shall be determined at the t by Sumter County and the City of Wildwood.
- iii. An egress point shall be provided along CR 472. The location shall be determined during site plan or subdivision approval and approved by Sumter County and the City of Wildwood.
- iv. The Project shall provide transportation connectivity between the residential and commercial land uses. A minimum of two (2) transportation connections between the residential and commercial area shall be provided. The Project shall adhere to the Residential and Commercial Design Standard relating to internal and external interconnectivity for all modes of transportation for the Project.

5. Streets and Sidewalks.

- i. Sidewalks shall be required in accordance with the City's Residential Design Standards, as amended.
- ii. The City and the developer will enter into a written Developer's Agreement concerning maintenance of the streets and sidewalks.
- iii. Street and sidewalk interconnectivity between the residential and commercial uses on site shall be provided.
- iv. A five foot sidewalk shall be provided within the landscape buffers along CR 114, CR 472 and US 301.

**g. Landscaping Requirements.**

All landscaping and buffer requirements shall be in accordance with the City's Design Standards.

1. All landscaped and common areas shall be irrigated in accordance with the City's Residential and Commercial Design Standards.
2. All landscaping shall have appropriate irrigation and shall utilize reclaimed water if utility lines and adequate capacity is made available to the boundary of the Project.

2010 15905

3. Any tree removal or replacement will be subject to the City's Tree Ordinance #594.

**h. Lighting.**

Decorative lighting shall be provided as required in the City's Commercial or Residential Design Standards, as amended.

**i. Utilities.**

All on site utilities shall be underground. Developer is responsible for running utilities underground for its development. The City shall insure that any utilities within any public utilities easement serving lands other than the Project shall be underground.

**j. Signage.**

All signage shall comply with the City's Commercial Design Standards. If signage is installed within the twenty foot (20') wide City of Wildwood easement along the perimeter of the Project, the City shall not be responsible for any damage to signage as caused by the City's exercise of the easement.

**k. Maintenance of Common Areas.**

Maintenance and repair of structures, lawn mowing, and landscaping maintenance of all common areas within the Project shall be the responsibility of the property owner or its designee such as a property owners association, at no cost or obligation to the City. The developer/owner shall provide Guidelines for the maintenance of common areas, which Guidelines shall be submitted to the City for its approval, which approval shall not be unreasonably withheld, conditioned or delayed. The City will be granted the right, but not the obligation, to enforce the common areas maintenance obligations against the landlord/property owner/developer, as may be applicable, and to be reimbursed for the reasonable attorney's fees, costs and expenses, as may be reasonably incurred by the City. . A failure by the City to enforce this right shall not constitute a waiver.

**l. Enforcement of Rules and Regulations.**

For the maintenance of the common areas referenced in Section k above, the applicable provisions in the Guidelines: (i) shall be made applicable to the commercial and the residential segments of the Project; and (ii) shall be reviewed/approved by the City of Wildwood a certificate of occupancy being issued for completed improvements; and (iii) will provide that the City of Wildwood shall have the right, but not the obligation, to enforce such maintenance obligations against a violating party and that the City should be entitled to reasonable attorney's fees and costs for enforcement regardless of whether or

not a suit has been filed. A failure by the City to enforce this right shall not constitute a waiver.

**m. Impact Fees.**

The Project shall be subject to all impact fees applicable at the time of permitting. All impact fees are to be paid before issuance of any building permit. Proof of Sumter County impact fees paid shall be provided to the City of Wildwood. Any impact fees adopted by the City of Wildwood, Sumter County or the Sumter County School Board prior to issuance of building permits shall also be applicable to the Project.

All impact fee credits for right-of-way donations and road construction completed by this Project will be subject to an appropriate agreement with the appropriate government agencies.

**n. Amendments.**

Any substantial deviation from the PUD Concept Plan, or deviation from the terms of this Ordinance, shall be approved by the City Commission in accordance with the legal procedures to amend zoning ordinances.

**o. Expiration of PUD.**

Actual construction must begin within the planned unit development within 24 months of the later of the final adoption of the PUD agreement or rezoning to PUD including the expiration of all appeal periods. If no construction has started on the approved PUD within the allotted time frame, the planned unit development shall lapse and be of no further effect. If the planned unit development lapses under the provisions of this code, the PUD site reverts to the original zoning classification. The City Commission may extend the PUD for periods of up to six months provided the applicant can show good cause why said development was delayed under the originally approved development plan. An extension may be granted for delays beyond the control of the owner such as market conditions.

**Section 3: Consistent with Comprehensive Plan.**

The zoning classification of the PUD property is consistent with the Comprehensive Plan of the City of Wildwood, Florida.

**Section 4: Official Zoning Map.**

The Development Services Director, or designee, is hereby authorized to amend, alter, and implement the official zoning maps of the City of Wildwood, Florida, to include said designation.
