**Wildwood Officials Provide Update on City Water**

Wildwood officials today confirmed city staff performed a unilateral flush of 175 fire hydrants over the weekend to clear excess iron from the system, with those measures appearing successful.

Any resident still experiencing discolored water should call 352-330-1336 between 7:30 a.m. and 5:00 p.m. (352-330-1355 after hours) so a technician can be dispatched to investigate.
