

DEBRIS AND COLLECTION TIPS 101

Yard Waste:

- Debris generated from routine residential yard maintenance only and cannot be mixed in with your regular household garbage.
- Brush and limbs/logs must be no larger than 6" in diameter and cut in lengths not to exceed 4 feet and no more than 50 lbs.
- Brush must be placed NO less than 4 feet from any object i.e. car, fence, garbage cart, and NOT on or over gas meters, sprinkler heads near telephone poles, utility boxes, low hanging branches or cable wires.
- All brush piles should not include garbage or bulk items.
