VOLUNTEER WITH US!

WHY SHOULD YOU VOLUNTEER?

It truly takes a village to raise a family, and it takes a City to raise a community! While we have staff to host and plan events, we are excited for anyone who is interested in joining our team in making our events and programs better for our residents and their families.

Volunteering your time to give back in any way can really help your local communities whether it be your time, financial help, or resources. We in Wildwood believe we are a small city with a big heart --and that includes you!

We always welcome volunteers for any of the following programs:

- Historical Baker House (tours or house rehabilitation)
- Special events and family functions
- Athletic leagues
- Classes at our facilities
- Clean up days
- Community outreach programs

This is also a great opportunity for your teen to earn Bright Futures hours for college!

HOW TO VOLUNTEER:

Step 1:

Send us an email that you are interested in being a Wildwood volunteer!

Step 2:

Fill out the background check authorization form and volunteer contact information form and send back to us!

Step 3:

Come introduce yourself and let us know how we can work together for events, programs, and community outreach!
